

February 1, 2010

To Whom It May Concern:

We would like to take this opportunity to introduce ourselves. We are the Eagle Riders of the Fraternal Order of the Eagles, Aerie #3224. We are a motorcycle group whose primary focus is raising funds to benefit **Diabetes research**. In the past year, with our 8th Annual Bikers against Diabetes (**B.A.D.**) rally, we were able to raise **\$15,000** of which **100%** went to the Children's Hospital Diabetes Research Foundation. That gives us an eight year total of **\$96,000** for Diabetes Research.

At this time, our goal is to generate even more money to donate to the Children's Hospital Diabetes Research in the coming year with the **9th Annual B.A.D. Run, scheduled for May 16, 2010**. The cure for Diabetes is right around the corner and with contributions from companies such as yours, we can make this dream for a cure a reality. **100%** of your donation will be given to Children's Hospital Diabetes Research Foundation where **0%** of the funds are used toward administrative costs.

As a Sponsor you will be proudly noted on our **Sponsor Board** and recognized at the event. For additional information on becoming a Sponsor of this worthwhile event feel free to contact us at anyone of the contacts below or simply send a check or money order along with your company information payable to **Eagle Riders** and mail to the address below.

Please join us in the fight against Diabetes and the dream of a cure. Thank you in advance for your support.

Sincerely,

The Eagle Riders
Fraternal Order of the Eagle, Aerie #3224
1151 S Galena St
Aurora, Colorado 80247
