

HOW TO START AN EAGLE RIDERS GROUP

1. Find a handful of interested Aerie/Auxiliary members to get things started.
2. Seek approval from the Aerie by introducing the idea on the floor of an Aerie meeting.
3. Upon approval, contact your State Coordinator to set-up a presentation meeting in your Aerie. (if applicable)
4. Advertise the presentation meeting within the Aerie/Auxiliary and to the general public, i.e. (newsletter, bulletin, fliers, etc....). Have interested Eagle members bring non-member friends.
5. Hold meetings.
 - i. First meeting: Conduct a "meet and greet", establish date and time of regular meetings, and nominate officers.
 - ii. Second meeting: Elect officers, fill out applications, determine cost of, and pay, dues.
 - iii. Third meeting: Establish group by-laws and ride rules.
 - iv. Fourth meeting and on: Conduct ride group business (picking charities, planning rides, etc....).
6. We recommend that everybody attend and get involved at Aerie meetings. However, only the Eagle Rider President, or a delegate appointed by the Eagle Rider President, can speak for the group at an Aerie meeting or function.
